## MAKE AN INVESTMENT THAT MEETS A NEED

BGL is an 85% donor-driven non-profit organization. We are committed to making a positive impact in the lives of the most vulnerable children in Lesotho and bringing hope to families around the world.

Even with certain income-generating projects in place, we requires the goodwill and generous offerings that our donors provide in order to continue doing the work God has called us to do. Our greatest need is consistent monetary funding for our general operating expenses.

## ONGOING PROJECTS

We are committed to undertaking projects that will help expand our ministry. Two of the most significant endeavors we currently have underway are outlined below.

### Beautiful Gate 2

It has been a dream of ours for a long while now to increase and expand our capacity to care for the orphaned, abandoned and other vulnerable children of Lesotho. In 2019, we obtained property in Peka, Leribe where we plan to open another care facility.

Our long-term goal is to continue serving children in similar situations to the one we currently cater to, but with a focus on children aged 6+. We also desire to develop a care program that provides for children with special needs and disabilities. **Can you commit to investing in Beautiful Gate's future?**

### Beautiful Gate Shuttle

Due to an increase of outreach teams and individual volunteers/visitors coming to Beautiful Gate, all of whom require transportation, we believe a shuttle/transport service would be an incredibly productive income-generating project.

We hope to build a fleet of rental vehicles to accommodate the various visitors we receive, as well as meeting other transport needs in our local area. Proceeds from this project would help offset some of our expenses. **Can you commit to helping make this dream a reality?**

## OUR Vision

We see children and families confidently embracing their futures, walking with Christ, living with hope, now and for eternity.

## OUR Mission

Our mission is to glorify God by providing opportunities for children and families to grow spiritually, emotionally, physically, and intellectually.
